

Stewardship 2016

Our vision: That *all* of God's people will have grateful and generous hearts.

Our mission: Through modeling, teaching, and providing practical assistance, to *encourage* the people of our diocese to have *grateful and generous hearts*.

In pursuit of our vision and mission we...

- ...provided membership to The Episcopal Network for Stewardship (TENS) to each diocesan congregation.
- ...provided the TENS "Living Generously" conference to the diocese by webcast.
- ...made provisions for financial stewardship materials for each congregation.
- ...worked with individual congregations on annual financial stewardship campaigns.
- ...kept stewardship information on the web page up to date with information including The Society of The Magi, services available, and links to stewardship issues.
- ...provided stewardship assistance to Diocese of Indianapolis congregations.
- ...provided workshops on Planned Giving, Capital Campaigns and Annual Campaigns.
- ...offered webinars on Planned Giving
- ...participated in the Planned Giving Group of Indiana programs

The Society of the Magi, the diocesan planned giving program, is open to all who have named an Episcopal congregation, ministry or program in their estate plans. The size of the gift is not an issue. Those who have made such provisions are invited to join the Society by notifying John Oaks of the gift at: 800-669-5786 or 317-926-5454 ext. 7, or oaks@indydio.org.
