

Canon 7.4(a) specifies that "The Executive Council shall determine annually a percentage factor to be paid from Net Operating Income of all congregations for support of Diocesan Mission and Ministry. The apportionment shall be a percentage of the average of the previous three reported years' Normal Operating Income." In recent years this percentage has been 14%; the proposed budget reduces the percentage to 13.5%.

The proposed budget assumes that PPP proceeds will be exempted from apportionment. However, because the canon requires apportionment to be based on Normal Operating Income, and the parochial report instructions specify that PPP proceeds be included in Normal Operating Income, this is not currently permitted. There is an amendment to Canon 7 before convention allowing Executive Council to authorize deductions from Normal Operating Income for the purposes of calculating apportionment. Apportionments shown in this document assume the amendment will pass. If the amendment fails, 2022 apportionments for many congregations will need to be recalculated.

With the caveat mentioned above, the 2022 apportionments shown below become effective upon the diocesan convention's adoption of the 2022 budget.

	2018 NOI	2019 NOI	2020 NOI (less PPP)*	Total 3 Year NOI	Average 3 Year NOI	2021 Apportionment	2022 Apportionment	Net Increase (Decrease) 2020-2021

\* Elwood had no income in 2020, and is anticipated to close in 2021.

\*\* Speedway calculation based on 2019 and 2020 income only, due to radically changed structure of the congregation.
